

Baker Hughes Vacancy: Procurement Specialist

**Are you passionate about Procurement and sourcing?
Do you enjoy solving interesting problems for a global company?
Join our Sourcing team**

Our Procurement Team provides support for regional projects. We are in contact with local and regional teams to collaborate and innovate. We manage the buying process and engage in commercial sourcing management in order to achieve the best contractual conditions and best results for company.

Partner with the best

As a Procurement Specialist, you will be responsible for the overall performance of the regional Sourcing & Procurement activities. Your deep expertise on global and regional procurement and market trends will help to manage the regional procurement activities and meet Baker Hughes' purchasing commitments in Sourcing matters. As a Procurement Specialist, you will be responsible for:

- Developing and Implementing Sourcing strategies for Sourcing across all product lines and functions, leading synergies where possible
- Conducting competitive analysis of vendor products and services to develop and implement deflation and cost savings
- Defining supplier strategy including identification and development of Strategic and Preferred suppliers
- Working on multiple complex and multidisciplinary projects

Fuel your passion

To be successful in this role you will:

- Bachelor's degree from an accredited university or college
- Show solid experience in Procurement in oil and gas or relevant industry
- Have 3 years of experience in Buying-Procurement
- Good understanding of the full procure to pay process
- Be able to manage multiple projects simultaneously while working independently in a fast-paced environment.
- Be a team player and display good communication and writing skills
- Have good interpersonal and leadership skills to develop and grow a team.
- Be proficient in MS Office, SAP and SAP Ariba

Work in a way that works for you

We recognize that everyone is different and that the way in which people want to work and deliver at their best is different for everyone too. In this role, we can offer the following flexible working patterns:

- Monday - Friday 8AM to 5PM

Working with us

Our people are at the heart of what we do at Baker Hughes. We know we are better when all of our people are developed, engaged and able to bring their whole authentic selves to work. We invest in the health and well-being of our workforce, train and reward talent and develop leaders at all levels to bring out the best in each other.

Working for you

Our inventions have revolutionized energy for over a century. But to keep going forward tomorrow, we know we have to push the boundaries today. We prioritize rewarding those who embrace change with a package that reflects how much we value their input. Join us, and you can expect:

- Contemporary work-life balance policies and wellbeing activities
- Comprehensive private medical care options
- Safety net of life insurance and disability programs
- Tailored financial programs
- Additional elected or voluntary benefits

About Us

With operations in over 120 countries, we provide better solutions for our customers and richer opportunities for our people. As a leading partner to the energy industry, we're committed to achieving net-zero carbon emissions by 2050 and we're always looking for the right people to help us get there. People who are as passionate as we are about making energy safer, cleaner and more efficient.

Join Us

Are you seeking an opportunity to make a real difference in a company with a global reach and exciting services and clients? Come join us and grow with a team of people who will energize and inspire you!
