

**OFFICE OF THE PRESIDENT**  
**Guyana Technical Training College Inc.**  
**(GTTCI)**  
**Port Mourant, Berbice**

**Applications for the positions of “Instructors” for the GTTCI in Port Mourant!**

The Government of Guyana, through the Office of the President is seeking to employ **eight (8) Instructors** who themselves will be trained to become full time Instructors of the new Guyana Technical Training College Incorporated (GTTCI), being built in Port Mourant, Berbice.

The instructors, once fully qualified, will train students to become **Mechanical, Electrical, Instrumentation and Production Technicians** who will be working on the Floating Production, Storage and Off-loading (FPSO) ships in Guyana’s Atlantic waters. It is expected that the GTTCI’s new campus in Port Mourant will become operational in October 2025.

**Requirements:**

- Must be Guyanese national
- Experience in technical training in **Mechanical, Electrical, Instrumentation or Production skills will be a definite asset.**
- An appropriate Technical Diploma will be the **minimum** requirement.
- Must be prepared to be trained on the FPSOs offshore and to work full-time in Port Mourant, Berbice as employees of the GTTCI.
- Will need to meet requirements to work offshore (including Helicopter Underwater Escape Training).

For additional details for the position as Instructor, kindly visit the link below for the Terms of Reference, <https://op.gov.gy/index.php/2025/05/16/terms-of-reference-for-the-guyana-technical-training-college-inc-gttci/>

The deadline for submission of applications is Friday June 13, 2025 at 13:30 hours and must be addressed as follows:

**Please submit your application to:**

Permanent Secretary  
Office of the President  
Shiv Chanderpaul Drive  
Georgetown, Guyana
