

## GUYANA NATIONAL BUREAU OF STANDARDS ADOPTION OF STANDARDS

The Guyana National Bureau of Standards (GNBS) would like to notify the public that the following standards are intended to be adopted as national standards and the public is asked to submit any objection(s):

1. **ISO 29001:2020** Petroleum, petrochemical, and natural gas industries – sector-specific quality management systems - Requirements for products and service supply organizations.
2. **ISO 19345-2:2019** Petroleum and natural gas industry — Pipeline transportation systems — Pipeline integrity management specification — Part 2: Full-life cycle integrity management for the offshore pipeline.
3. **ISO 15663:2021** Petroleum, petrochemical, and natural gas industries – Life cycle costing.
4. **API RP1111** Design, Construction, Operation, and Maintenance of Offshore Hydrocarbon Pipelines.
5. **API RP 14B** – Design, Installation, Operation, Test, and Redress of Subsurface Safety Valve Systems.
6. **API RP 54** Occupational Safety and Health for Oil and Gas Well Drilling and Servicing Operations.
7. **API RP 75** Safety and Environmental Management System for Offshore Operations and Assets.
8. **API RP 98** Personal Protective Equipment Selection for Oil Spill Responders.

Deadline for the submission of objection(s) to the adoption of these standards is  
**Sunday, August 14, 2022.**

Written objection along with justification can be submitted to the GNBS via  
**email: [public.comments@gnbsgy.org](mailto:public.comments@gnbsgy.org) on or before the specified deadline.**
